VENICE ROSE

Norah McMeeking norah@cox.net

www.bellabellaquilts.com

Drawing inspiration from the beautiful inlaid tile patterns in Venice's Basilica of St. Mark, Norah developed her series of patterns titled Bella Bella. The Venice Rose provides many opportunities for personalized variation in color, size and detail. Stretch the basics and perfect a classic quilt top that looks much harder than it is. Class includes hints on grainline mastery, foundation piecing, machine appliqué and finishing.
